# LUXURY SAFARI UNDER CANVAS

## Type of accommodation

- Accommodation is in spacious insect proof walk-in tents with gauze covered windows.
- The lighting inside the tents is bright enough to read by, solar.
- The ablutions are en-suite, consisting of an ash long drop toilet and hot water bucket showers.
- A minimum of 3 staff excluding the safari guide, accompany the safari to make the safari run smoothly. The staffs perform all camp chores which include providing gourmet meals, tidy plus clean tents and all chores around the campsite.
- Weather permitting laundry is done daily with the exception of the days the camp moves to its next location  
*For tipping purposes (should you wish) please enquire with us regarding how many staff.*

## Meals on Safari

- Three substantial meals per day are served, between planned safari activities.
- Menus of fresh produce change every day and vegetarian or special diets can be catered for by prior arrangement.  
*Please kindly be aware that there maybe a surcharge for some dietary requirements due to availability/cost.*

## Drinks on Safari

- Assortment of soft drinks & local beers will be on offer through out your safari inclusive in the price.
- LOCAL wines (Red & White) will be on offer at meal times inclusive in the price.
- Any premier wines and all Champagne/s for guests own account.
- Premium Wines and Champagne can be ordered on behalf of the guests and bill to be paid direct to the guide while on safari.

## Type of Vehicles

- The vehicles used on the safari are custom fitted 4 x 4 vehicles.
- The vehicles seat 8 people excluding the guide.

## Insurance

- It is imperative that guests take out their own fully comprehensive medical insurance to cover any emergency evacuations, hospitalization or further treatment.
- Unfortunately we cannot accept any client who is not covered.

## Toilets

Toilets are ash long drop.
